

YOUR YOUNG PERSONS WELFARE AMBASSADOR

Name

Mihai Bradu

About me

I joined Canterbury Tennis Club in 2014 and I am part of the academy. I have completed my Level 1 Coaching and I have always wanted to be as involved as possible in our tennis community. I am very passionate about ensuring our club is welcoming for all and that everyone feels safe and accepted. I am very excited to be working as a YPWA to make sure we achieve this.

About the role

The Young Person's Welfare Ambassador works with your venue Welfare Officer and the LTA to promote key safeguarding and welfare messages. They may speak with you to gather your thoughts and ideas on how to make your venue a better place. They are not responsible for dealing with safeguarding concerns, so if you need to speak to someone about this, please contact your Welfare Officer or the LTA Safeguarding Team.
